# Rob Grimes

## ABOUT ME

I have a Bachelor's degree in Software Engineering and have continued to expand my web development skills over time via courses and self learning to possess a good knowledge of the technologies used in all aspects of web development.

I have a personal portfolio site which showcases my projects at [robgrimes.uk](http://robgrimes.uk).

I am highly motivated to learn and develop, both by myself and as part of a team while continually keeping up to date with the latest technologies. I possess web programming skills in the following:

## SKILLS

- **Basics**
    - HTML5
    - CSS
    - JSON
